

SHEEPGATE

Sheepgate Catering

Sheepgate, a division of Adult and Teen Challenge of the Midlands, is a year-long program that exists to be a catalyst for 180-degree life change for those struggling with addiction. Over 90% of individuals entering our program require financial assistance, and no one is turned away for inability to pay. Money raised through Sheepgate Catering provides scholarships to these individuals, as well as funds for operating expenses within our organization. In addition, Sheepgate Catering is an opportunity for students to learn professional skills in culinary arts that will follow them when they complete our program.

Our Chef and Catering Coordinator, Alan Franco, a 2002 graduate of Sheepgate, has vast experience in food preparation, menu creation, restaurant management, and catering services. He graduated from the Culinary Institute of America at Hyde Park, New York in 1991, and received both his HACCP certification and Seafood HACCP at Ohio State University. Prior to accepting his role at Sheepgate, Alan was the Food Service Director for 8 years at Ohio Valley Teen Challenge. While there, he was responsible for serving 600-700 meals a day, as well as managing catering services for commercial clients and private events.

Sheepgate Catering seeks to provide the very best in service and product for our clients. We work diligently to apply our motto from Colossians 3:23, "Whatever you do, work at it with all your heart, as working for the Lord..." We are fully insured, use the finest ingredients, and have top notch customer service. Please consider these factors as you navigate our menu. If you see something missing, don't hesitate to reach out as we do our best to accommodate special requests. We look forward to the opportunity to serve you for all your special events no matter if your group size is 10 or 10,000.
